# Leadership Bootcamp

## Course Objectives

This training equips participants with essential skills in communication, decision-making, team building, and change management through practical exercises and real-world case studies. Participants will also learn persuasion and negotiation strategies for effective delegation and team empowerment.

## Target Audience:

- Mid-Level Managers and Team Leaders
- Employees looking to transition into leadership roles
- Project Managers
- Human Resource Professionals
- Entrepreneurs and Business Owners
- Anyone interested in developing their leadership skills

## About the Course

**Number of Hours:** 18

**Mode of Study:** In-Person (3 Days) or Online (2 Weeks, 9 h/w)

**Location:** United Kingdom, London

**Pre-requisite**: Some prior management experience would be

beneficial but not essential

- **Introduction:** Overview of leadership styles and building leadership mindset through emotional intelligence (EQ), self-awareness and self-regulation.

- **Communication and Influence:** Practical exercises on effective communication, persuasion and negotiation, influence without authority, and conflict management and resolution.

- **Team Leadership and Motivation**: Workshop on how to build high-performance teams and effectively motivate them using several methods and to effectively delegate and empower them.

- **Decision-Making and Problem Solving**: Workshop on developing a strategic mindset and the importance of data-driven decisions, structured problem-solving approaches and how to assess and manage risks in leadership decisions.

- **Leading Change and Final Workshop**: an overview of cutting-edge change management models, followed by practical exercises on coaching, mentoring and working on several scenarios involving multiple leadership challenges.

## Learning Outcomes:

By the end of the training, you will be able to:

- Develop key leadership skills such as communication, motivation, and team building.
- Improve decision-making and problem-solving abilities in leadership contexts.
- Master techniques for leading change and fostering a high-performance culture.
- Gain practical experience through simulations, case studies, and role-playing activities.

## Equipment:

You will only need a personal laptop and your enthusiasm.
